OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 8 February 1972

25X1 1. (Secret - JMM) Accompanied the Director, Messrs. Bruce Clarke, George Carver, [REDACTED] who briefed the full House Armed Services Committee. See Memo for Record.

2. (Secret - JMM) Mr. George Carver and I met with Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and explained that we were still waiting for DOD to set up a joint meeting of DOD representatives and ourselves with Representative Lucien Nedzi to discuss a sensitive matter involving both Defense and CIA.

3. (Secret - GLC) Left with Ed Braswell, Chief Counsel, Senate Armed Services Committee, a paper prepared by OSI on Soviet ABM defenses in response to a question raised by Senator Symington at the Director's briefing of the Senate Armed Services Committee on 27 January. Braswell said he would place this with the Director's prepared statement and make a separate copy for Senator Symington.

I picked up from Jack Ticer, of the Committee staff, a copy of the prepared statement which the Director used in briefing the full Committee on 4 March 1971.

8. (Internal Use Only - JGO) Talked to Mrs. Amelia Graves, Personal Secretary to Senator Stuart Symington (D., Mo.), who told me that the Senator had not seen the original of the article on dope traffic published in Earth. She will check and see if she can obtain the footnote material that was not included in the text given to me yesterday.

11. (Confidential - GLC) Spoke with Russ Blandford and Frank Slatinshek, House Armed Services Committee staff, about the possibility of one of them addressing the Advanced Intelligence Seminar in their Committee room on the Hill some time toward the middle of March. They agreed one of them would be available to do this and suggested we come back to them with a specific date in mind. We will be in further touch with OTR about this.
